

About Us

StreetKidsDirect (SKD) is a UK registered, volunteer-run charity devoted to transforming the lives of vulnerable children who live on the streets or face the perilous threshold of street life in Guatemala and Honduras.

These children confront daily hardships, from grinding poverty and the pressure to contribute to family income, to the risk of being ensnared by gangs, leading to a grim future marked by crime, drugs, and exploitation. Tragically, such paths often result in alarmingly short life expectancies.

But there's a beacon of hope - education. It is the gateway to a life brimming with possibilities and a promising future.

At SKD, we collaborate with local organisations, channeling our efforts into outreach, mentoring, and prevention programmes. Our dedicated teams support over 800 children and their families every week.

A donation from your Will can profoundly impact our capacity to offer sustained care, support, and mentoring to children at risk.

Our vision is to see no more street-living children. Your partnership with us will help us reach more children around the world in the coming years.

Street Kids Direct has a proven track record with over 30 years of experience working with vulnerable children around the world.

- ✓ Regulated by external agencies.
- ✓ You can discuss with us how you would like your legacy used.

The impact of your Legacy

Thank you for considering leaving a gift in your Will to Street Kids Direct – a very special and personal gift that keeps on giving.

The gifts that supporters leave in their Wills can make a huge difference to our mid and long-term ability to create places of safety, care and education for at-risk and street-living children and their families.

Just a 1% of your estate legacy can make 100% difference to many childrens lives. For example, a gift of £10,000 can help us mentor an additional 50 children per year.
